COURSE TITLE:

2020 Advanced FBC Significant Code Changes - Internet

COURSE DESCRIPTION:

This course presents the significant code changes from the 2017 Florida Building Code (6th edition) to the 2020 Florida Building Code (7th edition). The course highlights the differences and includes the most significant Florida specific changes.

SPECIFIC COURSE LEARNING OBJECTIVES:

This course will provide contractors, design professionals, and building code professionals with practical information on changes to the 2020 Florida Building Code. Upon completion of this course, participants will understand the changes made to the 2020 Florida Building Code including but not limited to the requirements for administration, occupancies, fire resistance protection, fire protection systems, means of egress, roof assemblies, structural design, and wood construction and apply them to their respective professions.

NUMBER OF CLASSROOM HOURS:

1 CEU Advanced Course

COURSE CATEGORY:

Advanced Building Code Module

CODE EDITION:

2020 Florida Building Code (7th edition)

METHOD OF PRESENTATION:

Online, webinar
